Fellowship Meal

Afternoon Service 1:30 PM
Message Aron Schrepfer

It is His will, that these little ones should be saved; it is the will of His design and delight: He has designed it, and set His heart upon it, and He will effect it; it is the will of His precept, that all should do what they can to further it, and nothing to hinder it. This care extends itself to every particular member of the flock, even the meanest. We think if but one or two be offended and ensnared, it is no great matter, we need not mind it; but God's thoughts of love and tenderness are above ours.
