Invitation Hymn 333 ... May the Mind of Christ, My Savior

Evening Service 5:30 PM
Message Aron Schrepfer

Christ bore the diseases of the infirm in that He manifested compassion through His healing of them (Matt. 8:17). He actively relieved them. Later He bore the cross (John 19:17) and subsequently the sins of the world in His body. The believer "fulfills the law of Christ" when he likewise removes weights which would eventually crush others. In the body of Christ "the members should have the same care one for another. And whether one member suffer, all the members suffer with it" (1 Cor. 12:25-26). Cain once raised the eternal question: "Am I my brother's keeper?" (Gen. 4:9). The spiritual Christian will immediately respond in the affirmative.
